Book Report: *Book reports are due on September 30.* If your child hasn't started reading their book, you are quickly running out of time. If you have any questions about your child's presentation, let me know. The book report may be done as soon as your child is ready. I do not need any advanced notice. Just have your child tell me that they are ready when they get to school, and we'll fit in their report on that day.

Guidelines:

*Your child's visual needs to be student-made.

*Your child must know the material that he/she will be presenting. Please practice your report before presenting it at school.

Cursive: The children are all very excited to be learning how to write in cursive. In their excitement, they may want you to teach them more letters. The book goes in an order that is easy for them to learn, and quite a few letters have changed over the years. Please do not work ahead, it is much harder for the children to learn the letters if they have learned them incorrectly.

Midquarter: On Friday we are already half way through the first quarter! Midquarter reports will go home on September 30.

Outside: *Depending on the weather*, I'd like to continue to be outside sometimes even though the weather is cooling down. Please be sure to send jackets or sweatshirts to school so that the kids are comfortable.

Social Studies: We are learning the 7 continents and 4 major oceans (Atlantic, Pacific, Arctic, and Indian Oceans). They will be on the next Social Studies test, so any extra practice at home will be beneficial.

Upcoming tests:

Science: Chapter 2 test on September 23 (study sheet home on September 21)

Coming next week:

1st commandment
You shall have no other Gods.

What does this mean?
We should fear, love, and trust in God
above all things.
