Welcome to the Parent Handbook of Elm Grove Lutheran School!

This handbook outlines the program of Christian education offered at Elm Grove Lutheran School. Many important topics are covered, and the invitation is extended to anyone interested to contact the school office for additional information.

Elm Grove Lutheran School was established in 1955 by Elm Grove Lutheran Church, a member of the Lutheran Church – Missouri Synod. Since that time, the congregation has supported Christian education in the school through its time, talents and treasures. The commitment of the congregation to Lutheran education has been unwavering, and our school is committed to providing a quality Christian education to the children of the congregation, our sister congregations, and the community.

Elm Grove Lutheran School is accredited by the National Lutheran School Accreditation program, and was recently re-accredited in August, 2018, for another five year period. The school has also been recognized in the past as a Blue Ribbon School by the U.S. Department of Education.

The faculty members are committed to providing your child with a quality education which challenges students to grow academically, physically, emotionally, socially and spiritually. All teachers are certified by the State of Wisconsin and use curriculum guidelines from the State of Wisconsin.

Again, we thank you for your participation at Elm Grove Lutheran School to allow your child to study God's Word daily, to see how it relates to all areas of the curriculum, and to incorporate that message into their daily life.

MISSION: "Equipping God's Children for His Service"

The mission of Elm Grove Lutheran School is to assist and support parents in providing a Christ centered education that will equip God's children to faithfully serve as witnessing Christians and productive citizens.

A CREDO FOR ELM GROVE EVANGELICAL LUTHERAN SCHOOL

We believe the Triune God, our Creator, Redeemer and Sanctifier, has a plan for educating God's children.

"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work." 2 Timothy 3:16-17 (NIV)

We believe God's purpose in education is to lead people to Christian faith, to a life of Christian discipleship in this world, and to eternal life in Heaven.

"...pursue righteousness, godliness, faith, love, endurance and gentleness. Fight the good fight of faith. Take hold of the eternal life to which you were called when you made your good confession in the presence of many witnesses." 1 Timothy 6:11b-12 (NIV)

We believe the Lord calls us to place Him into every area of thought, life and learning. We also believe complete education is achieved:

- I. through applying God's Word and the power of the Holy Spirit.
Apply your heart to instruction and your ears to words of knowledge. Proverbs 23:12 (NIV)
- II. through the active involvement of the members of the Body of Christ with one another.

See to it, brothers, that none of you has a sinful, unbelieving heart that turns away from the living God. But encourage one another daily, as long as it is called Today, so that none of you may be hardened by sin's deceitfulness. Hebrews 3:12-13 (NIV)

- III. through the work of Christian professional teachers who, reflecting Christ's love for them, have a Christ-like love and concern for children.

"I tell you the truth, unless you change and become like little children, you will never enter the kingdom of heaven. Therefore, whoever humbles himself like this child is the greatest in the kingdom of heaven. And whoever welcomes a little child like this in my name welcomes me." Matthew 18:3-5 (NIV)

We believe the family has the prime responsibility for their children's education and the church and school's role is to equip and support parents in this important task. *Train a child in the way he should go, and when he is old he will not turn from it. Prov. 22:6 (NIV)*

We believe the Christian school must expect and encourage every child to use his or her God-given abilities to serve God and humankind.

Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving. Col. 3:23-24 (NIV)

We believe the Christian school should provide "on-the-job" training for every child to learn, not only how to make a living, but how to live a God-pleasing life.

And we pray this in order that you may live a life worthy of the Lord and may please Him in every way: bearing fruit in every good work, growing in the knowledge of God. Colossians 1:10 (NIV)

VISION

Elm Grove Lutheran is committed to Biblical values of Christian discipleship and whole child development that equip God's children for His service. Specifically, we aim:

- I. To provide children the opportunity to study God's Word with an emphasis on Luther's *Small Catechism* with Explanation, so that the children reach a level of spiritual maturity enabling them to confirm the faith into which they were baptized.
- II. To work with and support Christian parents in their efforts to raise their children as God would have them raised. With God's blessing, we will help children to...
 - A. learn what it means to live in God's love because of Jesus' death, life, and resurrection.
 - B. learn to faithfully study God's Word, to worship, and to pray so that, by the power of the Holy Spirit, they respond by living in accordance with God's holy will.
 - C. learn and demonstrate what it means to forgive as God forgives.
 - D. learn how to live a life of witness to their faith in Jesus as their Lord, their Savior, and their Friend.
- III. To provide instruction in balanced elementary curriculum that, when taught in harmony with the Holy Scriptures, will help students live in accordance with God's will and a life of service to their Lord.
- IV. To give children the opportunity to learn in a way that recognizes and builds on their learning style, intelligence, and God-given talent. This is accomplished through diagnosis and careful planning by providing enrichment and remedial experiences for students.

ADMINISTRATION

Elm Grove Lutheran School is part of the total ministry of Elm Grove Lutheran Church. The school is under the supervision of the congregation through the Voters' Assembly, the governing body of the congregation.

For efficiency, the congregation elects members to the Board of Christian Education (BOCE) and grants authority for the operation of the school to them. The principal and pastors are advisory members of the board. The Board of Christian Education establishes school policy. It delegates the daily operation of the school to the principal.

ELM GROVE LUTHERAN SCHOOL STATEMENT OF NON-DISCRIMINATION

Elm Grove Lutheran Church and School is dedicated to the purpose of offering an educational program to children of members of Elm Grove Lutheran Church, in harmony with the doctrinal and confessional standards of Elm Grove Lutheran Church as set forth in the constitution and by-laws of the congregation. It further offers this educational program to members of sister congregations in the community; to other Lutherans who agree with our stated tenets; and, finally, to others in the community who accept our purposes and policies as guides for themselves and their children.

All children who fall into the above categories, regardless of race, color, national or ethnic origin are admitted to all the rights, privileges, programs, and activities made available to students at Elm Grove Lutheran School. Elm Grove Lutheran School does not discriminate on the basis of race, color, national or ethnic origin in administration of our educational policies, admission policies, athletic policies and other school- administered programs.

"The Lord is my rock, my fortress and my deliverer, my God is my rock, in whom I take refuge." Psalm 8:2A

ENROLLMENT

Entrance Age

A child must be three years old and completely potty-trained by September 1 to be eligible for 3-year Kindergarten, four years old by September 1 for 4-year Kindergarten, and five years old by September 1 for Kindergarten. A separate letter will be sent out to parents during the summer detailing the requirements and an acknowledgement must be signed by parents or guardians of incoming students prior to the first day of school.

Early Entrance

Parents requesting early entrance to the kindergarten program for their child must complete the necessary testing. A faculty committee, which includes the principal, kindergarten teacher, first grade teacher, and one other faculty member, will establish the requirements. Early entrance is not an option for the 3-year old and 4-year old programs.

Enrollment Procedures-Pre K-3 through 8th grade

1. Complete all enrollment forms (including physical examinations for students entering kindergarten, fifth or seventh grade, and immunization records for all students).
2. Provide your child's most recent report card and achievement test results (Grades 1-8 only).
3. Provide information related to any diagnosis of a special need (learning disability, ADHD, or other learning or behavioral problems).
4. Provide authorization to speak with the principal and/or teacher at your child's previous school (Grades K-8 only).
5. Schedule a time for testing your child to determine his or her academic level.
6. Schedule a time to meet with the principal prior to a decision on placement.

Milwaukee and Wisconsin Parental Choice Program

If the family is in the Milwaukee Parental Choice Program (MPCP) or the Wisconsin Parental Choice Program (WPCP), the parent understands that all tuition and fees are paid through the MPCP/WPCP. All student applications into the MPCP/WPCP are accepted in open enrollment windows regardless of seats available. Student applications are carefully reviewed for errors and qualifications based on age. Errors on the application are brought to the parents' attention by phone, and if possible they are remedied. An error on an application can invalidate the application and exempt a student from the program. Second, the financial information is examined for adherence to the requirements set in WI legislation and sufficient proof provided where required. Finally residence is proven by the family and the administrator looks at that and all documentation for qualification in the program. Applications are filed in the administrator's office. The checklist is used to review each application, as provided by DPI.

Students are granted funding if seats are available and requirements set by the program are met. If seats are not available a lottery is held and students who do not have a seat are placed on the waiting list. Families are notified within 60 days of application by mail of acceptance, waiting list status, or denial.

Families wishing to appeal a decision of a rejected application may take their concern to the principal and BOCE and a mutual final decision will be made, followed by an explanation of the decision to the family.

Enrollment Testing

Students entering Elm Grove Lutheran will be given a placement test before final admission. The placement test is given to determine pupil, class, and curricular strengths and weaknesses in math and reading. The results of the tests are used for guidance of the child. Upon completion, the classroom teacher and principal will meet to evaluate the information that has been compiled and make a decision for placement. All testing results will be discussed with the parent.

Registration/Re-enrollment Guidelines

1. Registration/Re-enrollment forms and tuition will be sent out no later than March 1.
2. After March 15 enrollment will be open to the community with priority based on the order of applications.
3. In the case of a returning class, which has been at maximum capacity during the current school term, enrollment will not be made for that classroom until one of the following has occurred:
 - a) all current students have registered,
 - b) a currently enrolled student/family has indicated that re-enrollment will not take place,
 - c) the closed re-enrollment period has come to an end.
4. At the end of the re-enrollment/registration period, applications may still be turned in. However, enrollment will be made as applications are received and as classroom space allows.

Class Size

The BOCE has established the following as the maximum number of students in a classroom:

Pre-Kindergarten 3	10 students (without an aide)
Pre-Kindergarten 4	13 students (without an aide)
Kindergarten	20 students (without an aide)
1 st -8 th Grade	25 students

The BOCE may extend this number by two students in certain circumstances. If more students are seeking enrollment, additional staff may be required.

Student Placement

The principal, current teacher(s) and teacher(s) for the next grade-level will make a recommendation for classroom placement in the case of students with special needs.

Part-time/Home School Students

EGLS does not accept applications for enrollment from part-time or home school students who are enrolling only for the purpose of participating in athletics or extra-curricular activities.

Advanced Placement

1. Requests for advanced placement should be submitted in writing by the parent(s).
2. A faculty team consisting of the principal, the current teacher, and a teacher from the grade level above will evaluate the request.
3. Parents will be responsible for arranging a complete battery of tests from a professional, accredited and mutually agreed on testing source.
4. Tests will include ability as well as achievement.
5. Mental development as well as all academic skill levels must exceed the mean scores for the grade desired.
6. The student will be interviewed prior to the recommendation to gain his or her perspective on grade level placement.
7. Advanced placement is not an option if the student is deficient in language development, has motivational problems, or shows an unwillingness to cooperate at the present grade level.
8. The decision to make an advanced placement or retain at grade level will be made by the advanced placement team.
9. If the team, using student test results, finds that the child will not profit from advanced placement, the child will remain at his or her current placement level.
10. If the team, using student test results, finds that advanced placement may benefit the child, a trial period will be initiated.
11. At the conclusion of the trial period, the team and parents will meet to discuss a final recommendation.
12. Whenever possible, advanced placement should be requested prior to the beginning of the school year.

Policy on Promotion

Students will be promoted to the next grade level after the following are completed:

1. State examination scores are proficient in comparison to the current grade level.
2. Academic performance from core curricular grades is proficient.
3. The student's current grade teacher recommends, based on the student's academic performance that he or she be promoted to the next grade.

Policy on Promotion from 4th to 5th Grade

Students will be promoted from 4th to 5th grade after the following are completed:

1. State examination scores are proficient in comparison to the current grade level.
2. The student achieves a 2.0 GPA in 4th grade.
3. The student's 4th grade teacher and principal agree, based on the student's academic performance that he or she be promoted to the 5th grade.

Policy on Promotion from 8th to 9th Grade

Students will be promoted from 8th to 9th grade after the following are completed:

1. State examination scores are proficient in comparison to the current grade level.
2. The student achieves a 2.0 GPA in 8th grade.
3. The student's 8th grade teacher and principal agree, based on the student's academic performance that he or she be promoted to the 9th grade.

Retention

1. The teacher or parent(s) of the student should submit requests for retention in writing.
2. A faculty team consisting of the principal, the current teacher, and a teacher from the grade level above will evaluate the request.
3. The team will consider academic, behavioral, emotional, and social factors when considering the recommendation.
4. Parent(s) should be informed of the teacher recommendation for retention, and be allowed an opportunity to meet with the team, prior to a final recommendation.
5. Teacher recommendations for retention should be considered prior to the end of the third quarter, so parents can be informed of the recommendation and have time to appeal it.
6. A parent may appeal the decision of the faculty team to the BOCE.

Transfer Policy

Families are to consider the well-being of the child when transferring a student from one school to another. The principal will not accept students if the determination is made that changing schools is not in the best interest of the student.

A student applying to the Milwaukee Parental Choice Program or the Wisconsin Parental Choice Program is evaluated based on his/her eligibility for the Choice program. No other admissions/transfer criteria are applied.

It is highly suggested families wanting to transfer to Elm Grove Lutheran call to set up an information meeting and tour with the principal and other faculty members. To complete a transfer, families are to first complete a registration form. After a family is accepted transferring students will be given a placement test. Grade placement will be based on past academic achievement and results of the placement test.

Transfer students will serve a 6-week probationary period from the date of enrollment to verify grade placement, behavior and additional items which may arise.

If a family wishes to transfer out of Elm Grove Lutheran School to another school, parents are to give the school written notice.

EDUCATIONAL COSTS

It is the responsibility of the congregation to provide a Christian education for all children and to assume a portion of the cost. Parents, as members of Elm Grove Evangelical Lutheran Church, contribute to the total support of the congregation including the school ministry through their regular gifts to the Lord. In addition, congregational school families are encouraged to give of their time and talents to support the ministries of the church. The Bible exhorts each of us to give as the Lord has blessed us and as Christians that should be our guide for giving to the church.

All parents are charged tuition which provides funds to address salaries, textbooks and learning materials, classroom and office supplies; all of which are necessary in carrying out the educational program of the school.

Members of Elm Grove Evangelical Lutheran Church who are having financial difficulties may ask for help through the principal. Information about the family's finances will be requested so that an informed decision can be made in response to the request for financial assistance. It is not the intent of the church to deny a Christ-centered education to anyone simply because the family is unable to pay tuition or fees.

Parents from sister congregations, from other church bodies, and those without a church home are welcome to enroll their children. These parents or their churches are responsible for the educational cost (tuition) as determined by the BOCE of Elm Grove Lutheran Church. In some instances the parent's home congregation provides assistance to pay the tuition costs for children of their congregation. **(for more information see Financial Matters page 42)**

HOME-SCHOOL RELATIONSHIPS – FAST DIRECT

The home-school relationship is a vital link and partnership in the education of a child. It is important that both the home and school support one another in order for this partnership to be successful. The purpose of a Christian day school is, first and foremost, to nurture and train children to develop a closer relationship with Jesus Christ. However, parents are given the primary task of Christian training for their children. The purpose of our school is to be an extension of the home and not a replacement. If the home and school are both Christ-centered, the students will receive the best possible education.

In an effort to make this connection between home and school, parents are able to view student grades and financials on our Fast Direct system.

BEGINNING OF SCHOOL YEAR VISITS

In order to promote a strong home-school relationship, homeroom teachers in grades Pre-K3 – Grade 4 will host a visit with each family in their classroom before the school year begins. Homeroom teachers in grades 5 – 8 will host an informational group meeting as the school year begins. During these visits, the teachers will share information about the upcoming school year. This information will include, but not be limited to, academic expectations, classroom management, preliminary class schedule and other activities in which the class will be involved. The goal of these visits is to establish a relationship between the family and the teacher that will help encourage open communication as the school year progresses.

SCHOOL VISITS AND APPOINTMENTS

Parents are encouraged to visit their child's classroom when school is in progress. Parents are to call and set a date in advance of the visit. If a meeting with the teacher to discuss the child's progress is requested, contact with the teacher to set up an appointment is necessary. Parents and all other visitors must report to the office prior to entering the classroom and hallways. Entry doors are locked during the school day, and visitors can gain access by using the door buzzer system. All parents and visitors should sign in at the office when visiting. After visiting, please return to the office to sign out before leaving.

If a student is leaving for an appointment during the day, the student must be signed out by the parent in the office before leaving and upon return.

EVANGELISM PLAN FOR SCHOOL FAMILIES

Students who come to Elm Grove Lutheran School are the primary focus and responsibility of the school faculty and staff.

Often this provides an open door to families who may be unchurched. The names of those families are shared with the Board of Evangelism so that follow up letters, phone calls, or visits to such

families (encouraging attendance at worship services) can be made. The teachers are the primary evangelists in ministering to the child and the family.

A church attendance policy exists for member families of Elm Grove Lutheran to encourage faithful worship attendance in addition to receiving a Christian education. Teachers encourage families to remain faithful in church attendance, which is recorded in the classroom and monitored through school and church offices. The pastors and/or members of the Board of Evangelism make contact with those families whose worship attendance is lacking.

CHURCH ATTENDANCE POLICY

Members of Elm Grove Lutheran Church with children enrolled at Elm Grove Lutheran School are required to attend worship services, preferably at Elm Grove Lutheran Church, at least 70% of the services throughout the school year.

Elm Grove Lutheran School is an educational arm of Elm Grove Lutheran Church. Our MISSION is to *assist and support parents in providing a Christ-centered education that will equip God's children to faithfully serve as witnessing Christians and productive citizens thus EQUIPPING GOD'S CHILDREN FOR HIS SERVICE.*

In following this mission it is essential that families are a part of the worship life of the congregation. Active members are connected to the *Means of Grace* through regular attendance at worship and participation in the study of God's word.

Church attendance is taken each week in the classrooms and monitored by the principal at the end of each quarter. If the attendance is deficient, a letter will be sent to the family. The first quarter that a letter goes home parents are expected to take note and improve attendance in the following quarter. Attendance will continue to be monitored throughout the year. If worship attendance does not improve, the family will be deemed an inactive member and will be contacted by the Board of Elders, the Board of Evangelism, or one of the Pastors in an effort of outreach and mission.

PARENT-TEACHER LEAGUE

The Parent-Teacher League (PTL) is a parent led group designed to assist parents and teachers to work together to provide children with a Christian education. The PTL will offer speakers on child development and education at its meetings, and is also instrumental in raising funds for school programs and equipment that would not otherwise be available to our students.

PARENT SERVICE HOURS

The BOCE and faculty of Elm Grove Lutheran School believe that children benefit significantly from the active participation of parents and teachers in the educational process. Active parental participation has the following benefits:

- Provides an opportunity for parents to use their time and individual talents towards the nourishment of children.
- Allows children to benefit from seeing parents use their time and talents in God's service.
- Allows children to benefit from the modeling of critical life lessons such as commitment and service.
- Provides communication and opportunities to socialize for parents and teachers. □
Develops a sense of community for parents, students, and teachers.

The BOCE and Faculty of Elm Grove Lutheran strongly encourage and immensely value the active participation of all our families.

ACCREDITATION AND RECOGNITION

Elm Grove Lutheran School is accredited by National Lutheran School Accreditation (NLSA). A renewal of this accreditation status occurs every five years. The most recent re-accreditation study was completed in the 2016-2017 school year.

Elm Grove Lutheran School, like all Lutheran and public schools, seeks to offer the highest quality elementary education. Measured by the results of standardized achievement tests and by the proficiency of graduates in high schools and colleges, Elm Grove Lutheran School achieves that objective.

In 1985, the school received recognition by the United States Department of Education as an Exemplary Elementary School.

ACADEMICS

Curriculum

Elm Grove Lutheran School is established on the foundation of God's Word. All students receive daily instruction in the Scriptures as well as Lutheran doctrine and the application of these to daily living. Religion is not just a segregated subject in the day's work; rather, its influence permeates all other subjects. Only in keeping with God's Word can all secular subjects be properly understood and applied.

The curriculum of Elm Grove Lutheran School is based upon the curriculum guides for Lutheran Elementary and Middle Schools entitled "*Integrating the Faith*" and from a study of the guidelines for elementary schools from the State of Wisconsin.

Three curricular areas are key to a student's future success: reading, writing, and mathematics. Although they are given emphasis at all grades levels, they are especially stressed in kindergarten through second grade. At these levels, additional time and effort is directed toward ensuring that students have a strong foundation in these subject areas. In addition to these three core subjects, students will also study social studies, science, grammar, spelling, computer education, art, music, and PE.

A curriculum synopsis of what is taught in Pre K-3 through 8th grade and a listing of curriculum texts is available on the school's website. A detailed catalogue of curriculum objectives for each class and grade is available in the school office.

Textbooks

Religious books (Bibles, hymnals, catechisms, etc.) become the permanent property of the student. All books are to be treated with respect, whether or not the student owns them.

The school provides the students with textbooks. Textbooks are reviewed on a regular basis and replaced when necessary, ensuring that Elm Grove Lutheran students are provided with the best materials available. A full listing of current textbooks used in each classroom can be found in the "**EGL Curriculum Synopsis**".

Audio Visual Materials

Audio visual materials such as television programs, online videos or resources, DVDs, videos, CDs and music will be used in the classroom within reasonable limits as deemed beneficial to student learning. Viewing will be done in accordance with the curriculum, with a specific learning purpose and/or recreation in mind. AV materials used with the children will primarily be "G" rated. If any are "PG" rated or unrated materials containing sensitive topics, parents will first receive a separate form which provides the title, a brief description of the material, and the purpose for its use. Parents will need to sign the form granting their child permission to view or listen to the materials.

Homework

The educational program at EGLS will require children to do some work at home. Homework is an important part of a child's education, but it also is important in developing a child's sense of responsibility. The amount of homework will depend upon the ability of the child, his or her study habits, and the grade level. Parents can help by providing encouragement and a quiet, well-lighted room that is free from distractions and interruptions. Parents should refrain from giving too much help.

It is important that students learn to finish and turn in all assignments on time. Late work puts more of a burden on the child as well as the teacher. Students in grades 5 – 8 will receive a “green slip,” sent to the parent, indicating an assignment has been incomplete or missing. A grade deduction of ten percent is given if turned in the following day. If it is not turned in the following day, the grade will result as a zero. Students will serve a forty-five minute academic detention (until 4:15 p.m.) for receiving three or more green slips in a week. All detentions are served on a set day each week. Detention takes priority over athletic practices and games.

Grading Scale

Students in kindergarten and first grade are assessed as **Emerging, Developing, or Consistent** in the various curriculum areas. Students in grades 2-8 are given a letter grade based on the following percentage scale.

A+	100%	A	96%-99%	A-	93%-95%
B+	92%-90%	B	89%-86%	B-	85%-82%
C+	81%-78%	C	77%-74%	C-	73%-70%
D+	69%-67%	D	66%-64%	D-	63%-60%

Students who have been absent or are behind in assignments may be given an “I” for Incomplete, until the missing work is completed and turned in.

Honor Roll – Gr. 5-8

In order to recognize and praise those students that have worked hard to achieve academic excellence, the faculty has established an honor roll for students in fifth through eighth grade.

All academic subjects are considered when determining academic excellence. However not all academic subjects receive the same emphasis, and therefore, subjects are weighted differently. Using a 4.00 GPA scale, the three levels of honor roll are listed below:

3.60-3.68 Honor Roll

3.69-3.84 High Honor Roll 3.85-4.00 Principal's Honor Roll

The levels of honor roll are determined upon the final average percentage in each academic subject at the end of each quarter. Students who qualify for Honor Roll status each quarter will be presented with a gold, silver or bronze medallion at the end of the year.

Reports and Conferences

Pupil progress reports are sent home eight times a year - four mid-quarter reports, and four quarterly report cards. In addition to the written reports, parent/teacher conferences are held for all parents at the close of the first quarter and midway through the third quarter. Additional conferences may be scheduled any time during the year as needed.

Standardized Testing

Beginning in the 2017-18 school year, all students in Grades 3-8 took the Wisconsin Forward Exam. The results of this test are used to evaluate student progress, identify areas of academic weakness for individual students as well as the school, and to develop plans for improvement.

MUSIC PROGRAMS

Students present special programs during different seasons of the year under their teacher's direction. These performances are opportunities for the children to practice stage manners and public speaking before audiences larger than their classroom groups. Parents should arrange for students to be present for their performances. Examples of these special programs include, but are not limited to the Instrumental Christmas Concert, Musicals, Spring Concerts and others.

School Choirs

Children enjoy singing praises to God in regular and special services in two grade-level choirs:

- Cherub Choir: Grades 1 – 4
- Middle School Choir: Grades 5 - 8

Pre-K and kindergarten will sing 2 - 3 times in worship services. In addition, students in grades five through eight have the opportunity to participate in a handbell choir.

Band/Strings and Instrument Lessons

Students in grades five through eight may take lessons on a band instrument through a program offered by a contracted band instructor. Individual and group lessons are offered during the school day. Lessons for students in fourth through eighth grade are also available on stringed instruments. The cost, payable monthly, is the parents' responsibility.

In addition to individual lessons, weekly band rehearsals are held at school. A Saturday morning mass band practice at Milwaukee Lutheran or Martin Luther High School is also available. Practices at the high schools are available for a small cost.

EXTRACURRICULAR ACTIVITIES

Definition/Eligibility

Extracurricular activities are an important part of the overall educational program at Elm Grove Lutheran School. We believe that participation in these events is a privilege not a right. Extracurricular activities include all school-sponsored events that are not considered a part of the regular school curriculum. This would include academic contests/exhibitions (excluding events that are required of all students such as science fair, social studies fair, mission fair, and the fine arts fair) student council, and athletics. We expect that students participating in extracurricular activities will apply themselves academically, represent the school in a God pleasing fashion, and will conduct themselves in an appropriate manner. To remain eligible for extracurricular activities, a student must maintain a C-average, and must not have an F for any subject. Homeroom teachers in grades 5-8 will submit a list of students who are ineligible to the principal, athletic director, or activity sponsor. The parents and student will be notified of ineligibility. If a student is ruled ineligible, the parents will have one week in which to meet with the teacher to set up an academic plan for the student. The student's compliance with the academic plan will be monitored by the teacher. If they do comply or the grade is raised, they will be reinstated on a probationary basis with a weekly grade check being provided by the classroom teacher. If at the end of the week, the student does not comply or the grade is not raised, the student will be deemed ineligible. If the student's grade again drops below the acceptable range or does not comply, the student will remain ineligible until the next grading period. Students may also be excluded from participation in extracurricular activities for inappropriate behavior or violating activity rules. Reinstatement will be at the discretion of the coach, athletic director, or principal.

Academic Contests/Exhibitions

During the school year students are encouraged, or in some cases required, to participate in a number of extracurricular academic contests/exhibits. The classroom teacher will provide details and rules for these events. The following contests/exhibitions may occur on an annual or bi-annual basis:

- Spelling Bee: Grade 3-8 (January)
- National Geography Bee: Grade 5-8
- Science Fair: All grades (March every other year)
- World Fair: School Families (March alternating with Science Fair)
- Knowledge Bowl: Grades 6-8
- Fine Arts Fair: All grades (In conjunction with the spring concert)

PAWS (Positive Active Wildcat Students)

Students in grades 5-8 are eligible to participate in the PAWS Program. Students that wish to participate in PAWS will fill out an application and submit to the PAWS advisor. PAWS will sponsor two major events, one each semester and will be responsible for choosing, planning, and leading the event. In addition PAWS members will be responsible for writing, getting approval, and reading the announcements every Friday morning. Members may also be asked to help with events such as the PEP assembly, Spirit Tournament, etc.

Athletic Program

Based on students' interests, athletics play an important role in the overall program of Elm Grove Lutheran School. Elm Grove Lutheran is a member of the Milwaukee Lutheran Elementary School Athletic Association, which sponsors competition for boys in cross country, soccer, basketball, volleyball, and track, and for girls in cross country, volleyball, basketball, soccer, track and softball. Students in grades five through eight may participate with parental permission.

EGLS recognizes the importance of an adequate balance between academics and athletics. Therefore, students participating in extracurricular activities are expected to apply themselves academically as well as conduct themselves in a manner that glorifies God and serves as a model of Christian behavior.

Parents often assist with the athletic program by attending and by assisting with transportation, coaching and supervision. Interested parents should contact the athletic director. Parents whose children participate in athletics will be provided a copy of the Athletic Handbook, which provides program specific policies, at the beginning of each school year. Copies are also available from the athletic director.

Conduct at School Activities

Student and parent conduct at extracurricular activities should reflect Christian values. Unacceptable behavior by a student could be cause for dismissal from the team or school discipline. Unacceptable behavior by an adult could be cause for removal from the event immediately and for a period of time to be determined by the administration.

ATTENDANCE

Since learning is cumulative, it is essential that each child attend school regularly. Attendance records are maintained and forwarded to parents. To assure student safety we ask parents to call the school between 8:00 and 9:00 a.m. each morning the child is absent. In case of extended absence due to illness, please send a note from a doctor explaining the medical reason for the absence. If your child has contracted something contagious (strep throat, chicken pox, pink eye etc.), please contact the school office. This will allow us to inform other school families so that they may take some preventive measures.

Students are to be present no sooner than 7:50 or after 3:45 on a normal school day unless they are involved in a supervised activity. Parents must arrange transportation at the close of after-school activities. In the event a student is not participating in an after school activity and their ride has not arrived by 3:45, they will be escorted to the school office by a faculty member. All efforts to contact the

student's parents/emergency contacts will be made by the office staff. If pickup or contact cannot be made by 4pm, the child will be escorted to childcare (along with the child's medical/allergy information) where billing will begin. If contact has not been made by 4pm, the office will continue to try to contact the parents until contact has been made or the authorities have been notified.

Students arriving at school later than 10:05 a.m., or leaving school sooner than 1:10 p.m., will be counted as absent for one half day. Students absent for more than 120 minutes during the school day will be counted as absent for one half day.

Students are to be in attendance each day of scheduled classes, unless they are absent due to illness or an approved excuse.

Students will be allowed ten (10) days of absence per semester. Absences verified in writing by a doctor (a sickness or injury which prevents the child from being in school) or due to a family emergency will not be counted in this total.

Students that accumulate more than ten (10) days of absence in a semester may be required, along with their parents, to meet with the Board of Christian Education concerning the student's academic progress. The classroom teacher and administrator will also attend at the meeting.

The official school calendar will indicate all days that school is in session.

Leaving School Grounds

Students may not leave the school property during school hours unless accompanied by a parent or guardian. A student who needs to leave school during the course of the day for an appointment must be "signed out" by a parent or designated adult. The student will be called to the office where the parent/designated adult may sign them out. Students should check in with the office upon their return. We encourage parents if at all possible to schedule appointments before or after school to avoid students missing class time.

Tardies, early departures, and partial departures will be recorded on the report card.

Emergency Closing

If it is necessary to close school due to inclement weather or any other reason, the closing will be announced on WTMJ radio - 620 AM, TMJ-4 television, WITI- Fox 6 television, and WISN-12 television, and the EGL website. If the Elmbrook Schools are closed, EGLS will normally also be closed.

Vacations and Trips

We encourage families to plan vacations when school is not in session. When that is not possible, teachers will keep a record of the work a student misses; and after the student returns, he/she will have one day for each day missed to turn in assignments for full credit. Assignments will be given only upon return to school unless the teacher agrees to provide assignments prior to the vacation. The teacher however is not required or may not be able to do so. It is the students' and parents' responsibility to be sure all assignments are completed.

Tardy Policy and Early or Partial Departure Policy

At Elm Grove Lutheran School we believe that it is important for students to arrive at school on time. Students arriving late or leaving early disrupt not only their learning but that of the class as well. Teachers must interrupt devotions or instruction time to revise paper work, allow the student time to get prepared, and then refocus the class on the task at hand.

Procedures

It is important that students realize that when choices are made, there are consequences connected with those choices. To that end the following procedures will be followed:

1. Any student not in their classroom by 8:05 am will report to the school office where he or she will be issued a tardy notice.

2. Tardy notices will be categorized as excused or unexcused.
3. An excused tardy may include a doctor / dentist appointment, public bussing or traffic issues (only up to 3 per quarter will be considered excused, beyond that will be unexcused), or inclement weather. Should there be a question as to the category of the tardy (excused / unexcused), the final decision of the tardy category will be decided by the Principal.
4. The tardy notice will be presented to the classroom teacher and will be included in the attendance report from the classroom teacher. This will be the basis for the official count.

Excessive tardiness during each school quarter will be addressed through the following steps:

1. On the second tardy – communication with the parent will occur warning of a detention.
2. On the third tardy - a letter will be sent to the parents. The parents will have a choice of either the child serving a 30-minute detention to be served in the office or the parent being assessed a \$25 fine. All money collected will be used by the office for administrative costs.
3. On the fourth tardy - a letter will be sent to the parents scheduling a meeting with the Principal, student and parents.
4. On the fifth tardy - a letter will be sent to the parents. The parents will have a choice of either the child serving a 30-minute detention to be served in the office or the parent being assessed a \$25 fine. All money collected will be used by the office for administrative costs.
5. On a sixth tardy - the student and the parents will meet with the BOCE.

Truancy

Per state statute 118.16, truancy means any absence of part or all of one or more days from school during which the attendance officer, principal, or teacher has not been notified of the legal cause of such absence by the parent or guardian of the absent pupil, and also means intermittent attendance carried on for the purpose of defeating the state statute.

Truancy shall be defined as an unexcused absence during which the student misses one-half or more of any school day. Parents have the opportunity to excuse the absence if notice is given before the end of the 2nd school day after receiving a report of an unexcused absence.

Frequent or prolonged absence from school or from assigned periods during the school day or repeated tardiness without satisfactory reason shall be grounds for disciplinary action as determined by the principal.

HEALTH

Communicable Disease Policy

The BOCE, faculty, and staff wish to provide a safe and healthy environment for all of the pupils who attend Elm Grove Lutheran School. The school should be notified immediately of a communicable disease. All children found to have a communicable disease or a condition that is readily transmitted to others are to be excluded from school. The following guidelines apply:

Chicken Pox: Exclusion for at least six days after onset of skin eruption. [Note to parents: after exposure, the first sign may be the onset of a fever. This can occur up to two weeks after the initial exposure, but does not happen in some children. For some children, the first sign is the skin eruption.]

Fifth Disease: Exclusion for 4-14 days.

Hand, Foot, & Mouth Disease: Exclusion for 3-5 days.

Head lice: Exclusion until effective treatment has been administered and when the child is nit free. If nits return, exclusion for one day is allowed for the combing out and treatment of the problem.

Impetigo: Exclusion until prescribed medicine treatment has been taken for 24 hours.

Mononucleosis, meningitis, and hepatitis: Exclusion until written release from physician.

Mumps: Exclusion for 9 days after onset of swelling and until swelling is gone.

Skin rashes, eruptions, and conjunctivitis: (Pinkeye) Exclusion until condition clears or a written statement from the physician that the child is no longer contagious.

Strep infection: Exclusion until the child has been on antibiotic therapy for 24 hours.

HIV infection/AIDS: As a general rule, pupils suspected of or diagnosed as being HIV-positive will be allowed to attend school in their regular classroom setting and should be considered eligible for all rights, privileges, and services provided by school policy. If an HIV-positive pupil endangers the health of students or a staff member, poses a risk of significantly exposing students or staff to HIV (i.e. is not toilet trained, has open sores that cannot be covered, or demonstrates behavior such as biting that could result in potentially infected body fluids being introduced into the bloodstream of a pupil or school employee) the student may be asked to withdraw from school.

Students who have an acute respiratory infection, sore throat, earache, a fever of 100° or who have been vomiting within the past 24 hours should not come to school. Students with a fever of 100° or above or who are vomiting at school will be sent home. EGLS does not maintain facilities to care for sick students and will notify parents to pick them up immediately. Written permission from the doctor is required when a child returns to school after recovering from the following diseases: diphtheria, infectious hepatitis, scarlet fever.

The school will maintain the confidentiality of the health records of students, and will not disclose them except to the extent required or permitted by law and essential to the safe conduct of the school's operation.

Student Allergy Guidelines

Family's Responsibility

1. Notify the school of the child's allergy.
2. Work with the school team (classroom teacher, secretary, hot lunch director, principal) to develop a plan that accommodates the child's needs throughout the school including: in the classroom, in the lunchroom, in after school programs, during school sponsored activities, and on the bus, as well as a Food Allergy Action Plan.
3. Provide written medical documentation, instructions, and medications as directed by a physician, using the Food Allergy Action Plan as a guide.
4. Provide properly labeled medications and replace medications after use or upon expiration.
5. Educate the child in self-management of his or her food allergy including:
 - a) Safe and unsafe foods.
 - b) Strategies for avoiding exposure to unsafe foods.
 - c) Symptoms of allergic reactions.
 - d) How and when to tell an adult about an allergy problem.
 - e) How to read food labels. (age appropriate)
6. Review procedures with the school staff, the children's physician, and the child (if age appropriate) after a reaction has occurred.
7. Provide emergency contact information. **School's Responsibility**

1. Be knowledgeable about and follow federal laws including ADA, IDEA, Section 504, and FERPA and any state laws or school policies that apply.
2. Review the health records submitted by parents and physicians.
3. Include food allergic students in school activities. Students should not be excluded from school activities solely based on their food allergy.
4. Identify a core team of, but not limited to, classroom teacher, principal, secretary, and hot lunch program director to work with parents and the student (age appropriate) to establish a prevention plan. Changes to the prevention plan to promote food allergy management should be made with the core team participation.
5. Assure that all who interact with the student on a regular basis understand food allergy, can recognize symptoms, know what to do in an emergency, and work with other staff to eliminate

the use of food allergens in the allergic student's meals, educational tools, arts and crafts projects, or incentives.

6. Practice the Food Allergy Action Plan before an allergic reaction occurs to assure the efficiency/effectiveness of the plan.
7. Coordinate with the school secretary to be sure medications are appropriately stored, and be sure an emergency kit is available that contains a physician's standing order for epinephrine. Medications are to be kept in a secure, easily accessible, central location in the school, not in locked cupboards or drawers. Students should be allowed to carry their own epinephrine, if age appropriate after approval from the student's physician, parent, school principal, and allowed by state or local regulations.
8. Designate school personnel who are properly trained to administer medications in accordance with Good Samaritan laws governing the administration of emergency medications.
9. Be prepared to handle a reaction and ensure that there is a staff member available who is properly trained to administer medications during the school day regardless of time or location.
10. Review the guidelines and prevention plan with core team members after a reaction has occurred.
11. Discuss field trips with the family of the food-allergic child to decide appropriate strategies for managing the food allergy.
12. Follow federal and state regulations regarding sharing medical information about the student.
13. Take threats or harassment against an allergic child seriously. **Student's Responsibility**
 1. Should not trade food with others.
 2. Should not eat anything with unknown ingredients or known to contain any allergen.
 3. Should be proactive in the care and management of his or her food allergies based on the student's developmental level.
 4. Should notify an adult immediately if they eat something they believe may contain the food to which they are allergic.

Most Common Food Allergens: Foods that most often cause an allergic reaction are: peanuts, nuts, wheat, soy, milk, eggs, fish, and shellfish. However, other less common foods can also cause anaphylactic reactions.

Signs and Symptoms: If a child with a known food allergy suddenly develops any of the following symptoms, the staff member or parent should contact the office immediately. Do not leave the child alone; an adult must remain with the child. The most common warning signs and symptoms of an anaphylactic reaction are:

- Complaint of tingling, itchiness, or metallic taste in the mouth.
- Hives.
- Difficulty breathing.
- Swelling and/or itching of the mouth and throat area.
- Diarrhea, cramps, and stomach pain.
- Vomiting.
- Paleness (drop in blood pressure) or loss of consciousness

Physical Examinations

Parents are to submit a physical examination report for all students entering Kindergarten, Grade 5 and 7. The exam must be performed by a licensed physician and submitted to the school office by the first day of school that year.

Immunizations

Students are required to be in compliance with the immunization laws of the state of Wisconsin. An immunization form must be submitted to the school office by the first day of classes for that year. The principal may, at his/her discretion, exclude non-immunized students from school. The requirements include: Day Care students need 1-3 doses of Pneumococcal Vaccine through age 4. Students in K-5 and 6th grade need 2 doses of chicken pox vaccine unless the child has had a documented case of chicken

pox. Students in 6th grade will need 1 dose of Tdap vaccine unless they have had a vaccine with tetanus or diphtheria (e.g.DTap, Td, DT, or TT) within 5 years of entering these grades.

Prescription Drugs and Medication

Parents of students who need to take prescription or non-prescription medication during the school day must complete a medication form and leave the medication in the school office. Office personnel will dispense the medication per parent or physician directions.

GENERAL INFORMATION

School Hours – K-8

Classes begin at 8:05 a.m. and close at 3:10 p.m. The bell for preparation time rings at 8:00 each morning as the signal for all students to get ready for class. A child who arrives after 8:05 must report to the office and receive a tardy slip to be admitted to class (see tardy policy). Any student not present in the classroom by 8:05 a.m. will be recorded as absent. If student arrives late, the office will adjust the absent status accordingly based on the time of arrival.

Pre-Kindergarten hours

3-year pre-kindergarten: Tuesday and Thursday morning session: 8:05 to 11:00 a.m.

4-year pre-kindergarten: Monday - Friday morning 8:05 to 11:00a.m.

5-year kindergarten (half day option): Monday - Friday morning 8:05 to 11:00a.m.

Child-Care Center

Elm Grove Lutheran Church operates a Child Care Center located at 805 Terrace Drive. The Center operates from 7:00 a.m. until 6:00 p.m. daily and provides supervised care for children – infants through grade eight. Information regarding childcare is available through the school office. Parents must register at the Child Care for before and after school care. Elm Grove Lutheran Child Care cannot guarantee accommodations for before or after school care if a notice of less than 24 hours is given. Schedules for staffing are set well in advance for the workers.

Year-long and Monthly School Calendars

A complete calendar of school dates and events is sent home with the summer mailing. The official calendar of dates when school is in session is mailed out with registration materials in February. A monthly activity calendar is available on Fast Direct and on the web site at www.egl.org.

Weekly School Newsletter

A weekly School Newsletter and Middle School Newsletter with information about school matters and items of interest to parents and students is emailed to all school families. The newsletters are sent home on Friday of each week via e-mail. In addition, a summary of school activities appears in weekly Sunday and monthly Church Newsletter (Seasons) announcements. Special notices are sent home as needed.

Yearbook

The yearbook highlights Elm Grove Lutheran students with individual pictures and snapshots of school activities and programs from the past year. An order form is sent home for those families that wish to purchase a yearbook.

Field Trips

Classroom teachers plan field trips designed to support the class curriculum with the principal's approval. Field trip permission slips will be sent home with a deadline for the field trip fee to be billed.

Hot Lunch/Milk Program

Elm Grove Lutheran contracts through independent providers to offer a hot lunch and milk option for families. Hot lunch and milk will need to be prepaid.

Transportation

Wisconsin state law requires all local school districts to provide transportation for students attending nonpublic schools. The statute allows the local school district to issue a parent contract. Whenever bus transportation is not available, the office will provide information to help in arranging car pools. Changes to normal bus transportation must be in written form signed by a parent and brought to the office.

Chapel Services

Chapel is held every week. Parents and friends are invited to join the school family in worship. Chapel offerings are designated for Christian mission projects. This stewardship program helps children grow in their response to the Lord's blessings.

Chapel Families

At the beginning of each year students in PK4 through eighth grade are assigned to a chapel family. Each classroom (homeroom) teacher serves as a Chapel Family leader. Chapel families sit together during the chapel service and the older children are responsible for helping the younger students follow along with the service. In addition Chapel Family activities are scheduled throughout the year to help promote interaction and bonding between older and younger students. These activities include but are not limited to: lunch, craft activities, reading to younger students, and field day activities.

Phone Use

Students may use the phone in the school office with teacher permission. Phone use should be limited to emergency situations only. Students are discouraged from bringing cell phones to school. However, if it is necessary, they are to be turned off and placed in a classroom location as determined by the homeroom teacher during school hours. Please remember, that the school is not responsible for items that are lost or stolen while they are at school.

Clothing Identification

Parents are to mark all children's clothing, especially in the primary grades, with ID tape or permanent ink. Articles of clothing not claimed from the Lost and Found area by children or parents will be donated to charity.

Nuisance Items

Students are not to bring toys, electronic games, sports equipment, radios, media players, or similar items to school unless the classroom teacher has given permission to do so. Gum chewing is not allowed on campus.

Lockers

Students have lockers in which to store their belongings during the school day. In order to keep them in good condition, the following guidelines have been established:

Assignment: The classroom teacher assigns lockers.

Care: Lockers are school property and must be treated with care. They are to be closed without slamming; hanging on doors or stepping on sills is not permitted. Lunches may be stored in lockers, but no overnight food storage is allowed. Stickers, posters, message boards, and the like are not permitted. Lockers must be kept neat and clean at all times.

Use: Lockers may be entered before school, at breaks, at lunchtime, after school and at other times with a teacher's permission. Students may not enter any locker but their own. Inspection: Lockers are school property; teachers have the right to inspect them.

DRESS CODE

Philosophy

The BOCE and the faculty view the dress of our children as a reflection of Christian moderation and decency. Experience at Elm Grove Lutheran has shown that appearance and grooming lifts students' general behavior and improves study habits. The dress code is reviewed annually in an effort to allow current styles that are in good taste and modest while maintaining a standard for all children. Parents play a key role in enforcing the dress code. **Hairstyles should reflect good grooming.**

1. For girls, hair should be kept clean and combed and should not fall over the eyes as this tends to affect direct eye contact with the teacher.
2. For boys, hair should be properly groomed and cut to a length no longer than the bottom of a shirt collar and should not fall over the eyes.
3. Fad styles or hair color for either boys or girls are not appropriate. Dyed to natural hair colors are allowed.

Shirts/Sweat shirts/Blouses

1. All shirts, sweatshirts, and blouses are to be clean, neat, modest and not offensive.
2. Shirts/blouses, which expose the midriff are not acceptable.
3. No offensive or negative messages or images such as skulls, drugs, weapons (Lite- sabers, knives, guns, etc), TV, music, or movie characters that swear or have anti-Christian messages, or antiChristian symbols.
4. Students may also not wear spaghetti strap tops or tank tops.

Pants/Slacks/Shorts

1. Pants, slacks or capris should be neat, clean and in good repair. No sagging pants.
2. All students may wear shorts from August through October 31 and April 1 through the end of the school year. Shorts are to be no shorter than the shoulder-to-finger-tip length of the student.
3. Athletic pants that are neat, clean, and do not sag may be worn. Cotton sweat pants are not acceptable or permitted attire.
4. Cut-offs and spandex are not acceptable or permitted attire.

Dresses/skirts

1. Dresses and skirts should be of a fingertip length, which reflects good taste.
2. Miniskirts are not acceptable attire are not permitted to be worn.
3. Leggings and jeggings may be worn under tunic tops, dresses and skirts of finger-tip length.

Shoes

1. Footwear should be worn fastened at all times.
2. Sandals must be fastened in the back. (Croc style footwear is not to be worn).
3. Due to liability and safety concerns students may not wear "wheelies".

Accessories

1. Headwear (i.e. hats, caps), sunglasses, or chains may not be worn in the building.
2. Body piercing, tattoos, and earrings (for boys) are not to be displayed or worn in the building.
3. Students should not have make-up or styling products at school. Middle School girls may wear makeup to school, however, teachers will determine if an amount is in excess. Final decisions on inappropriate attire are determined by the teacher and principal. The BOCE may also be consulted.

Chapel Days Dress Code

On Chapel days students are required to dress nicely, according to the following standards because we are in God's house to worship.

1. No athletic shorts or athletic pants are to be worn.
2. No shirts with words or graphics of any kind are permitted.
3. No sweatshirts are permitted.
4. Middle School boys should wear their shirts tucked in during Chapel.

Consequences

1. The first violation of the dress code will result in the teacher talking with the student about appropriate attire and contact with the parent. The student may be asked to change into P.E. uniform or other appropriate apparel, if available.
2. If a second violation should occur, the teacher will contact the parent to inform them of the violation.
3. In the event of a third violation, the parents will be notified to bring a change of clothing. The child will not be allowed to enter class until they have changed.

PARENT CONDUCT

Parents of an Elm Grove Lutheran School student pledge to work together with the staff to sustain an environment of love and trust which encourages positive development in students.

All parents commit to do the following:

1. Show support for school policies and the authority of the staff.
2. Supervise their child's clothing choices and to guide them in making appropriate dress code choices.
3. Support and encourage teachers and staff.
4. Encourage the child to do his/her schoolwork correctly and completely to the best of his/her ability.
5. Train him/her in helpfulness, courtesy, and a Christian sense of values.
6. Take advantage of opportunities to communicate with the teacher including Parent/Teacher Conferences.
7. Make on-time tuition and/or fee payments.
8. Be involved with Elm Grove Lutheran's PTL activities and fundraisers.
9. Encourage your child to take responsibility for his/her actions and efforts at all times.
10. Resolve conflicts kindly, in love, according to Matthew 18 guidelines as Christian brothers and sisters. Demands, threats, slander, inappropriate language and disrespect do not fulfill God's expectation.

Elm Grove Lutheran Church Member Families commit to do the following:

1. Be faithful in church and Bible class attendance and in participation at Holy Communion.
2. Use God's Word in private and family devotions.
3. Pray regularly – Praying for the school and church and its children, faculty, and staff.
4. Contribute financially to the congregation as the Lord has blessed them.

Parent Responsibilities:

In order to support a peaceful and safe school environment, the school cannot tolerate parents, guardians, caregivers and visitors exhibiting the following:

1. Disruptive behavior which interferes or threatens to interfere with the operation of a classroom, an employee's office, office area or any other area of the school grounds including sporting events.

2. Using loud/or offensive language, swearing, cursing, using profane language or displaying temper outside of Christian Character.
3. Threatening to do actual bodily harm to a member of school staff, visitor, fellow parent or pupil regardless of whether or not the behavior constitutes a criminal offence.
4. Damaging or destroying school property.
5. Abusive or threatening emails or text/voicemail/phone messages or other written communication to any Elm Grove Lutheran employee.
6. Gossiping with other parents, teachers, staff or guests regarding the school, teachers, processes, policies or otherwise.
7. Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parents/staff at the school on Facebook, Twitter, Instagram or any other social media sites. Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teacher or the Principal, so the matter can be dealt with fairly, appropriately and effectively for all concerned.
8. Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
9. Smoking (cigarettes or vapors) or other drug use while on school property or coming to an event under the influence of illegal drugs is prohibited.

Should any of the above behaviors occur, the school may feel it is necessary to restrict family access to the school building during the school and/or from school activities, remove the offending family from Elm Grove Lutheran School and contact the appropriate authorities if necessary. The Principal will determine the appropriate action. If a parent disagrees with the decision, they have the right to appeal it to the BOCE.

Guidance:

We expect parents, guardians, caregivers and visitors to:

1. Respect the school.
2. Recognize that the education of the children is a joint responsibility of the parents and the school community.
3. Understand that both teachers and parents need to work together for the benefit of their children.
4. Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behavior.
5. Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
6. Correct own child's behavior especially when it could otherwise lead to conflict, aggressive behavior or unsafe behavior.
7. Approach the school, not other parents, to help resolve any issues of concern.
8. Avoid using staff as threats to admonish children's behavior.
9. **Think before you post!** We ask that social media, whether public or private, should not be used to fuel campaigns and voice complaints against the school, staff, parents or children. We take very seriously inappropriate use of social media by a parent to publicly humiliate or criticize another parent, member or staff, or child of Elm Grove Lutheran.

SCHOOL DISCIPLINE – CONSEQUENCES

Pupil Conduct Expectations

1. Students are expected to treat fellow students, teachers and other helpers in the school program with politeness and respect.
2. Students are to demonstrate appreciation for the facilities at Elm Grove Lutheran by helping to care for them and by not abusing the equipment, grounds or buildings.
3. Students should remember that everyone connected with our school including teachers, custodian, secretaries and other helpers are here because they want students to be successful and learn to apply their God-given talents to the best of their ability. Faculty and staff are here to help.
4. Students are expected to be prepared for school each day, including having all necessary supplies for the school day and all assignments and class work.
5. When so many people share one building, each student, teacher, and parent must remember that as children of God we must respect other's rights and needs. Patience is an important tool when living in a school community.
6. Teachers will establish the guidelines for daily living in their classroom and will post those in the classroom. Students need to know that the guidelines may vary from classroom to classroom, but in every classroom the guidelines for Christian living will be followed.

School-Rule Infractions

School rule infractions, which will result in suspension and/or expulsion include, but are not limited to, the following:

1. Possession of and/or use of tobacco, alcohol, or illegal substances.
2. Possession of a weapon.
3. Flagrant disrespect for faculty or staff members.
4. Physical violence or abuse of others.
5. Verbal abuse/Sexual abuse or harassment.
6. Stealing.
7. Habitual use of inappropriate language.
8. Willful destruction of the property of others.
9. Truancy.
10. Habitual failure to accomplish tasks and homework.
11. Habitual disruptive behavior in the classroom, church, on the playground, or at any school sponsored or school related activity.

Cheating

In order to help students grow spiritually and academically, it is important that teachers and parents hold students accountable for their actions. When a student chooses to cheat by copying another student's work, soliciting answers on a test, plagiarizing an assignment from another source, or forging a parental signature; they are not growing spiritually or academically. If parents and teachers do not hold them accountable and demonstrate that there is a consequence for their behavior, they are in essence condoning this behavior. It is important that students understand that if they are to grow academically they need to be responsible for their own work. It is even more important if they are to grow spiritually that they understand that cheating is contrary to God's will. With this philosophy in mind the following consequences were developed:

1. First Offense: The student will receive a "0" on the assignment, a note will be sent home, and the teacher will make a follow-up call to the parent.
2. Second Offense: The student will receive a "0" on the assignment, a conduct notice will be sent home to inform the parents, and a follow-up call will be made by the teacher.
3. Third Offense: The student will receive a "0" on the assignment and will serve an after school detention on the following day. Parents are to meet with the principal and the teacher to discuss the behavior and possible solutions.

4. Fourth Offense: The student will receive a “0” on the assignment and will serve an in-school suspension. The principal will inform the parents of the suspension. The child will also be required to meet with a pastor for counseling prior to being readmitted to class.

Detention

Students may be required to serve a detention for disciplinary reasons. Parents will be informed and they are responsible for transportation. Repeated detentions will lead to further disciplinary action, which may include suspension and/or expulsion.

Suspension

Students may be suspended from classes at the discretion of the principal for violations of school policy or for other behavior not appropriate to a Christian environment. Suspension may be up to, but not exceed, three days. Any student serving an in or out of school suspension will not be allowed to participate in extra-curricular activities (sporting events, after school programs, concerts, etc.) the evening that the suspension has taken place. The student will be expected to complete all homework and classroom assignments given during the suspension period and submit those on their return to the classroom.

Expulsion

Extreme, habitual, or inappropriate behavior may result in a student being expelled. Expulsion of a student may only result from action taken by the Board of Christian Education based on a recommendation by the principal.

Guidelines for Expulsion and Appeals Process

1. Prior to expulsion a student will be suspended for ten days. A meeting to consider expulsion must take place within that suspension period. If more than one meeting is necessary, only the initial meeting need be limited by the ten-day period.
2. Any subsequent meetings should take place within thirty days.
3. The student and his or her parents or legal guardians will be invited to attend the meeting of the BOCE.
4. The principal shall present evidence to support his or her recommendation for expulsion.
5. The student and his or her parents or legal guardians will be given adequate time to present facts that support their position.
6. After hearing all evidence and studying any documentation of the evidence the BOCE will render a decision to:
 - a) Expel the student
 - b) Restore the student to a position of good standing
 - c) Restore the student to the student body on a probationary basis.
7. Unless an appeal is made, All decisions rendered by the BOCE are final.
8. A parent may appeal any BOCE decision to the Church Council within 30 days of the decision.

ELM GROVE LUTHERAN TECHNOLOGY POLICY

Introduction

Elm Grove Lutheran School (EGL) recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and participation in all areas of society.

To that end, we provide access to technology for students, faculty, and staff. This Acceptable Use Policy outlines the guidelines and behaviors that users are expected to follow when using school technology or when using personally owned devices at school.

- The EGL network is intended for educational purposes.
- All activity over the network or using school technology may be monitored and retained.
- Students are expected to follow the same rules for good behavior and respectful conduct online as offline.
- Misuse of school resources can result in disciplinary action.
- Elm Grove Lutheran School makes a reasonable effort to ensure students' safety and security online, but will not be held accountable for any harm or damages that result from the use of school technologies.
- Users of the school network or other technology are expected to alert administration immediately of any concerns for safety or security.

Technology Covered

Elm Grove Lutheran School may provide Internet access, desktop computers, laptops, Chromebooks, tablets, Kindles, and other mobile devices, email, Google Apps accounts, and more. This policy is intended to cover existing technology in use at EGL as well as future technology that EGL acquires and may provide. **Usage Policies**

All technology provided by the school are intended for education purposes. All users are expected to use good judgment and to follow the specifics of this document as well as the spirit of its intent: ☐ Be safe, appropriate, careful, and kind.

- Don't try to get around security and protection measures. ☐ Use common sense.
- Ask if you don't know.

Web Access

Elm Grove Lutheran School provides its users with access to the Internet, including websites, resources, content, online tools, and apps. Access will be restricted in compliance with CIPA regulations and school policies. Web browsing may be monitored and web activity records may be retained indefinitely. Users are expected to respect that the web filter is a safety precaution, and should not try to circumvent it when browsing the web. If a site is blocked and a user believes it shouldn't be, please inform the designated technology support liaison or the administrator.

Google Apps/Social Networking/Collaborative Content

Recognizing the benefits that collaboration brings to the learning environment, Elm Grove Lutheran School may provide users with Google Apps accounts or other tools in order to facilitate collaboration between students and teachers and members of the faculty and staff. Use of Google Apps and its accompanying tools and products may be restricted based on school policies.

Users should ensure that any documents or collaborative projects are shared with others as allowed by school policy.

Content created and saved by students while using software or accounts owned by the school is considered the intellectual property of the school and may be retained by the school if the student leaves the school for any reason. Apps purchased by the school are school property and stay with the device even if the user no longer uses or has access to the device.

Students of EGL should also take care to be appropriate, safe, mindful, and courteous in their personal technology use outside of the school. Posts, chats, messages and other forms of communication and networking should not reflect poorly on EGL.

Personally Owned Devices Policy

Students should keep personally owned devices (including but not limited to laptops, tablets, smart phones, cell phones, smart watches, e-readers, etc.) turned off and put away during school hours unless granted permission by school personnel for educational purposes or in the event of an emergency.

Security

Users are expected to take reasonable safeguards against the transmission of security threats over the school network. This includes not knowingly opening or distributing infected files or programs and not opening files or programs of unknown or untrusted origin. Users should alert the designated technology liaison or the administrator if they suspect that one of their devices is infected with a virus. Users should not attempt to remove the virus or download any programs to help remove the virus.

Downloads

Users should not attempt to download or run .exe (executable files) programs over the school network or onto school resources without express permission from the technology liaison or the administration.

Do not install software from home without permission.

Apps or other files should only be downloaded, with permission, from trusted, reputable sites and only for educational purposes.

Netiquette

Users should always use the Internet, network resources, and online sites in a courteous and respectful manner.

Users should also recognize that among the valuable content online is unverified, incorrect, or inappropriate content. User should use trusted sources when conducting research.

Students should also remember not to post anything online that they wouldn't want parents, teachers, or future employers to see.

Plagiarism

Accept responsibility of your own work, maintaining the integrity of what you create. Users should not plagiarize (or use as their own, without citing the original creator) content, including words or images, from the Internet. Users should not take credit for things they didn't create themselves or misrepresent themselves as an author or creator of something found online. Research conducted via the Internet should be appropriately cited, giving credit to the original author.

Personal Safety

Users should never share personal information, including phone number, address, social security number, birth date, or financial information over the Internet without adult permission. Users should recognize that communicating over the Internet brings anonymity and associated risks and should carefully safeguard the personal information of themselves and others. Users should not communicate with strangers over the Internet and should never agree to meet someone they meet online in real life without parental permission.

Do not share your password(s) with anyone.

Keep backup copies of important work. Properly use the features for securing or sharing access to your information on any device you use.

If at any point users see a message, content, image, or anything else online that makes them concerned for their personal safety, it should be brought to the attention of an adult immediately.

Cyber Bullying

Cyber bullying will not be permitted. Harassing others in any way is not allowed. Communication sent or content posted, from school or home, with the intent of scaring, hurting, or intimidating someone else will not be tolerated. If users engage in such activity, they are subject to severe disciplinary action. Keep in mind that in some cases, cyber bullying can be considered a crime.

Other Expectations

Do not engage in illegal activities. Transmission of any material in violation of any federal or state laws/regulations is prohibited. This includes, but is not limited to, copyrighted material or material protected by trade secret. Respect copyright and other intellectual-property rights.

It is a violation of school policy to attempt to gain access to another user's information, to copy files or passwords belonging to others, or to disclose another user's password or access code.

The school network should be used for educational or professional purposes. Use of the network for recreational, entertainment, or purely personal purposes is not allowed. Refrain from any activities that lead to personal or financial gain. Use of the school network for political and commercial purposes is also prohibited.

Limitation of Liability

Elm Grove Lutheran School will not be responsible for damage or harm to persons, file, data, or hardware. While EGL employs filtering and other safety and security measures and attempts to ensure their proper function, it makes no guarantees as to their effectiveness. EGL will not be held responsible, financially or otherwise, for unauthorized use of its network or for transactions conducted over the school network.

It is understood that data tracking may be used by third-party vendors whose tools and software EGL may utilize. While we will do our best to limit such tracking, it may be out of our control, and we are not responsible for any information collected through such means.

ADDITIONAL EGL POLICIES AND REGULATIONS

A child is a precious gift from God. As parents, you are to educate your child for Him, to see that your child learns to pray and to believe and know Christ. Your Christian school is here to help you do this, as well as to give your child a well-rounded elementary education.

1. Sometimes parents have questions, problems, or complaints relating to the school. The parents should first contact their child's teacher. If the concern is not resolved, they should then contact the principal. If the concern is not resolved, they should then contact the BOCE. If the concern is not resolved, the matter should then be brought to the Church Council for consideration. In all matters, the Voters Assembly shall be the final authority. The pastor may be approached if the matter concerns spiritual guidance or religious doctrine.
2. No member of the faculty should be interrupted during class hours by telephone calls or personal visits except for emergencies. Contacts must be made through the office. Please do not ask to speak to a child on the phone during school hours. Messages are distributed to children at 11:00 AM and 2:30 PM each day. This policy is not intended to restrict or prohibit any parent from visiting a classroom. Nor is it intended to discourage parents from contacting the teachers with questions about their children's education. It is intended only to keep these questions from disturbing classroom teaching. We encourage parents to make classroom visits. Anyone wishing to visit a classroom must obtain permission from the principal or teacher no later than the day prior to the planned visit.

3. The use of school facilities during regular school hours is reserved for students. No organization or group of individuals is to be given exclusive use of any portion of the school facilities during regular school hours.
4. The school's purpose is to provide a quality Christian education to all pupils equally. While the faculty is to show Christian understanding to all pupils with their different personalities and dispositions, no member of the faculty or BOCE shall at any time show favoritism to any pupil, in either instruction or discipline.
5. To assure the best possible education for all pupils, each member of the faculty must be given wide latitude of judgment as to the manner and methods used to present instructional material. The BOCE shall not interfere with the methods used unless there is an apparent abuse of discretion.
6. Since a teacher must, on the spur of the moment, determine the type of disciplinary action that is to be taken for a specific offense, a degree of latitude must be allowed to each individual teacher in the classroom. The principal or the BOCE shall not overrule or modify the discipline imposed by a teacher unless there is an apparent abuse of discretion.
7. Since it is not always possible for a teacher to use recess or noontime periods for disciplinary purposes, the BOCE permits the faculty to use after-school-hour detention. The teacher shall notify the parents when such action is taken and the parent will be responsible for the child's transportation.
8. The BOCE and the faculty shall adopt rules for pupils' conduct during school hours and explain them to the pupils and parents. Each pupil will be expected to observe all rules and all parents will be expected to show Christian cooperation with the school in requiring observance of the rules. The faculty shall have the authority to enforce the rules through disciplinary action.
9. Members of the BOCE are welcome to observe the school "in action". Visits are to be scheduled through the principal.

Anti-Bullying and Harassment Policy

"Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear. And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice. Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you." Ephesians 4:29-32

Elm Grove Lutheran School is committed to providing a Christian learning environment including a safe atmosphere for all students, teachers, administrators and employees. The BOCE and Administration of Elm Grove Lutheran School will take immediate disciplinary action based on any perceived or actual harassing/bullying behaviors that are directed toward our students, staff or any member serving as a volunteer. Disciplinary action may include detention, suspension, expulsion, and/or referral to law enforcement authorities.

Harassment and Bullying is defined as any Electronic, Verbal, or Physical act or conduct toward a student which is based on any actual or perceived trait or characteristic of the student and which creates an objectively hostile school environment that meets at least one of the following conditions:

- Places a student in reasonable fear of harm to the student's person or property;
- Has a substantially detrimental effect on the student's physical and mental health;
- Has the effect of substantially interfering with the student's academic performance; □ Has any other effect of substantially interfering with the student's ability to participate in or benefit from services, activities, or privileges offered by Elm Grove Lutheran.

Harassment and Bullying may include but are not limited to the following behaviors:

- Verbal, nonverbal, physical or written harassment, bullying or hazing that has the purpose of causing injury, discomfort, fear or suffering of the victim;
- Repeated remarks of a demeaning nature that has the purpose of causing injury, discomfort, fear or suffering of the victim;
- Implied or explicit threats concerning a student's grades, achievements, property, etc.. nature that has the purpose of causing injury, discomfort, fear or suffering of the victim;
- Demeaning jokes, stories or activities that has the purpose of causing injury, discomfort, fear or suffering of the victim;
- Interference with a student's performance or creation of an intimidating, offensive or hostile learning environment.

School Rules/Regulations

Hallways

1. Hallways in the school are to be used to move quietly from room to room or from activity to activity. Because the hallways are narrow and the classrooms close by, talking should be kept to a minimum and a quiet voice used whenever conversation is necessary. It may be necessary sometimes for teachers to require a "no talking" time in the hall to respect the needs of students in other classrooms.
2. As a general rule, students should walk on the right side of the hallway. When a whole class is moving through the hall, students should walk in a straight line so others can get by easily.
3. Students should give special consideration to any adults who are in the building to be sure they can get through the halls easily; greet them with a smile and help them find their way through the building.
4. When moving up or down a stairway, students are to remain in single file and to stay to the right.
5. Students should be careful to keep the hallway clear when using a locker.

Restrooms

1. There are restrooms on each level of our building. Students should use the closest restroom and return to their classes as quickly as possible. Restrooms are not a place for visiting.
2. Students should help keep the restrooms clean and free from clutter.

Arrival and Dismissal

1. Students are to use the main school entrance near the gymnasium. Students need to walk carefully in the parking lot area because of the number of vehicles coming and going.
2. The church entrance (the blue doors) and the office entry should be used only with special permission.
3. The upper level office door is not to be used for student drop off or pick up.
4. Students are to arrive after 8:05 am and are to leave the school grounds by 3:45 PM unless they are involved in activities such as athletic practice or extracurricular activities.
5. Students riding bicycles are dismissed with the walkers and bus and car riders. But, because of the congestion in the area, bike riders are to wait to leave with their bicycles until the buses are gone.

Playground Conduct-General Rules

1. The playground includes the parking lot west of the pole lights, including the softball and football fields, and the area west of the dumpster pad. (In winter months, the snow-mountains are included within the play area. Teachers on duty will decide how far the children may climb on the mountains.) Students are to stay off the stairs and railings outside the west entrance. Students are to remain away from all vehicles parked in the parking lot. Students are to enter the playground area south of the “No Parking” signs painted on the pavement.
2. To protect students from possible injury, throwing snowballs is not allowed.
3. For safety reasons, the following are not allowed on the playground:
 - a) Skateboards, bicycles, scooters, etc.
 - b) in-line roller blades
 - c) hardballs and super-balls
 - d) playground balls in the play equipment area
4. The signal from the teacher (bell, whistle, etc.) is the signal for students to stop and line up, ready to enter the building.
5. Students are to enter the building quietly, following the teacher’s direction.

Playground equipment

1. Children should use the slides only on their bottoms going down. Slides are to remain free of stones.
2. Stones and snow are to remain on the ground.
3. When using the monkey bars, children are to use hands only (no hanging by knees or sitting on top of bars) No “apple turnovers.”
4. Children should use the swings sitting on their bottoms. The following are not permitted: twisting, riding double, swinging sideways, jumping off, or running under the swings.
5. Personal play equipment is to remain at home unless the teacher gives permission.

Recess

The purpose of the recess period is to provide students with an opportunity during the school day to get some fresh air and exercise, which are important in maintaining a healthy mind and body. Although all students have scheduled P.E. periods, which provide the students with exercise, they are not scheduled every day and do not provide the student with fresh air or the opportunity to choose what activity in which they would like to participate.

Students in Kindergarten through second grade will have two recess periods per day of at least 15 minutes. Students in grades three through eight will have at least one recess period per day of at least 15 minutes. Recess will be held outside on the playground, the playing fields, or the parking lot weather permitting. If it is raining or if the air temperature or wind-chill temperature falls below 0 degrees Fahrenheit the students will not be permitted outside. If it is snowing it is at the teacher’s discretion whether students will go outside for recess.

During the winter months, students must bring hats, coats, mittens/gloves, and boots in anticipation of going outside. If students wish to play in the snow they will also need to bring snow pants. Although students may occasionally forget the appropriate clothing for outside recess, students that habitually forget or do not bring appropriate clothing on purpose will be in violation of the dress code and dress code consequences will be applied. During inclement weather, when there are no afternoon P.E. classes scheduled, teachers may with approval use the gym for indoor recess otherwise recess will be limited to the classroom.

Teachers may withhold recess time due to missing or incomplete assignments, however every effort should be made to ensure that students are getting some type of physical activity and fresh air each day.

LIBRARY/MEDIA CENTER POLICY

Philosophy

The primary purpose of the library is to enrich and support the educational program of the school. The library provides opportunities for children to do research and gather resources for classroom projects. Students also are encouraged to explore various genres when they are completing assignments, as well as when they are selecting leisure reading materials. We strive to provide library resources that enrich quality of thought and expression. The materials selected for our library are meant to contribute to the development of informed and responsible Christians.

Materials

The library at Elm Grove Lutheran School provides faculty, staff, students and parents with a variety of materials. Our collection includes hardcover books and paperbacks, videos, reference materials, periodicals, Big Books, and books on tape. Please refer to the Elm Grove Lutheran School Materials Selection Policy for information concerning the following areas:

- Criteria for Selection of Materials
- Re-evaluation of Collection
- Donated Materials
- Procedure for Challenged Materials

Library Usage

Hours – The school library is available for use Monday through Friday from 8:05 until 3:05 p.m. The library is available for use by individuals, small groups, and entire classes as arranged by the librarian and faculty. The librarian is responsible for scheduling at least one library period per week for each class. Students must be under adult supervision when using the library.

Circulation – Each staff member, student, and library volunteer is assigned a library number at the beginning of each school year. The librarian enters each patron into the library computer. If the library is being used when the librarian is not on duty, the supervising adult is responsible for checking out materials on the computer. Directions for using the computer are located on a binder on the librarian's desk. Periodicals do not have barcodes. If they are being checked out, there is a clipboard on the desk where the use of periodicals is to be recorded.

Staff members and library volunteers may check out any materials. There is no limit to the number of items being checked out by these individuals. The materials may be kept until they are no longer needed or until another library patron is waiting to use the materials.

Students may check out any materials except videos/DVDs and Big Books. They are allowed to check up to a maximum of two items. (This limit can be waived if classes are doing special projects that require additional materials.) Some of the classroom teachers for the lower grades limit their students to one item per week. This is left to the teacher's discretion and the classroom teacher is to notify parents of this decision. Students may keep library materials for one week. If students need the materials for an extended period of time, materials may be renewed weekly. They are allowed a maximum of three renewals on an item unless another library patron is waiting to use the materials. Then the item may no longer be renewed.

Lost or Damaged Materials

Library books and materials issued to students, staff members, or library volunteers become the responsibility of that person. Weekly overdue notices are printed and distributed to library patrons. Fines are collected if the library materials are lost or damaged such that replacement of the item is necessary. Fines are not to exceed the replacement value of the item. When students have received overdue notices and the materials are over 1 month overdue, this information will be forwarded to the school office. At this time, billing will occur through the office. Library patrons with overdue books or unpaid fines will not be allowed to check out new materials.

MATERIALS SELECTION POLICY

Definition of Materials

Materials acquired by the library, computer lab, science lab, art room, music center, and individual classrooms include books, magazines, videocassettes, CDs, maps, globes, models, science lab equipment, computer software, paint, construction paper, musical instruments, sheet music, manipulative resources for the various subject areas, puzzles, and games. This list is by no means all encompassing, but does give a sampling of the items which are provided for student and teacher use.

Criteria for Selection of Materials

Elm Grove Lutheran School is concerned with the spiritual, intellectual, emotional, social, and physical development of our students. The materials we used are consistent with the philosophy and mission of Elm Grove Lutheran School, and reflect the varied levels of interest, ability, and maturity of students. The intent of the use of these materials is to support and enrich the curriculum.

Objectives for Selection of Materials

1. The following selection objectives are to be used:
 - a. Materials support and are consistent with the educational goals and objectives of Elm Grove Lutheran School.
 - b. Materials reflect Christian attitudes.
 - c. Materials meet high standards of quality in factual content and presentation.
 - d. Materials are appropriate to the subject area, as well as for the age and emotional development of the students for whom the materials are selected.
 - e. Materials stimulate student growth in factual knowledge, appreciation of good literature, and ethical standards.
 - f. Materials have aesthetic, literary, or social value.
 - g. The value and impact of any literary work will be evaluated as a whole, so that the purpose, style and theme of a given work should overshadow any isolated section considered offensive.
 - h. Materials are chosen to foster respect for women, minorities, and ethnic groups, and shall realistically represent our pluralistic society.
 - i. Biased or slanted materials may be provided to meet specific curricular goals.
 - j. Materials chosen may provide information on opposing sides of controversial issues, so that students may develop the skill of critical analysis under the guidance of Christian school personnel.
 - k. Materials are selected on the basis of examination, inclusion in standard catalogs, reviews in authoritative sources, or any combination of the above.
 - l. When possible, audio-visual materials and computer software will be previewed before purchase or ordered with return privileges guaranteed.
2. The following specific criteria will be considered:

- a. Overall purpose of materials and how well that purpose is accomplished.
- b. Reputation and significance of author, editor, artist, publisher, or producer.
- c. Consistency with the distinctively Christian nature of the school.
- d. Timeliness or permanence of the material.
- e. Importance of the subject matter to the existing collection.
- f. Accuracy of material.
- g. Cost and durability of material.
- h. Suitability of format for intended use.
- i. Quality of the writing and illustrations.

Re-evaluation of Collection

The selection process begins with the evaluation of materials before purchase and is completed with the evaluation of materials before discarding them. Weeding is the process of clearing the collection of resources throughout the school that have outlived their usefulness. Evaluation of materials throughout our school is a continuous process and should be a cooperative effort of the total faculty. Materials should be constantly re-evaluated in order to maintain current and useful resources.

The following types of materials should be considered for discard:

1. Materials which are too badly worn to be mended or rebound, or badly soiled.
2. Materials with inappropriate print or yellowed pages, outdated illustrations, outdated styles or information.
3. Materials beyond the comprehension of students in the school. Some resources that are not easily understood should be retained if they are useful for research in the curriculum.
4. Encyclopedias over five years old should be considered for discard. If sets are still useful, they may be used in the classrooms and circulated at the teachers' discretion.

Donated Materials

Donations of materials will be subject to the same standards of selection as stated above. All donated materials become permanent property of Elm Grove Lutheran School and are used, as the faculty, staff, and principal deem appropriate. Materials that do not meet current selection criteria will not be accepted. A statement of financial value of donated materials will not be provided.

Lost or Damaged Materials

Students, parents, or teachers will be charged for materials that have been lost or damaged due to negligence. The person responsible for the lost or damaged items will be billed for the replacement cost of the material. The replacement cost will include both purchasing and shipping the materials to be replaced. The charge is not to exceed the replacement value of the item and is subject to approval by the administrator.

Procedure for Challenged Materials

All questions and concerns about materials should be expressed to the appropriate teacher or the library/media specialist. If the issue cannot be resolved, it should be taken to the principal. At that time, the complainant will be invited to file the objections in writing on the form provided for that purpose. These forms can be obtained in the school office. The materials will not be removed from use during the re-evaluation period, unless directed by the principal. Anyone filing a "Request for Reconsideration" form will receive acknowledgement upon its receipt.

The Materials Reconsideration Committee will consist of the principal, library/media specialist, a teacher, a member of the BOCE, and a member of the PTL Board. The committee may ask for further information from the faculty member using the challenged material and from the complainant. If the

faculty member or complainant is a member of the committee they will exclude themselves from the decision process. The committee will report its decision in writing to all parties involved within ten school days. The decision of the committee will be final and binding and may not be challenged for at least two years.

FINANCIAL MATTERS

Statement of Non-Profit Status

All contributions to Elm Grove Lutheran Church, School, and Child Care are tax deductible. Elm Grove Lutheran is a 501c(3) non-profit under the Lutheran church, Missouri Synod, with articles of incorporation and a federal tax identification number.

Fees/Tuition

In January the principal shall recommend to the BOCE a fee structure that will meet the expenses for books and materials for the coming school year. The fee structure is to be approved by the BOCE and distributed to all families.

1. The tuition and fee schedule will be sent with re-enrollment materials in February. The per student non-refundable registration fee will be due by the deadline stated on the Tuition and Fee schedule, typically mid-April.
2. Parents will need to sign a tuition agreement with TADS annually at the beginning of each August.
3. Parents will have the following tuition agreement options through TADS:
 - a. One-time payment of full tuition and fees made on or before August 15th prior to the start of the school year.
 - b. Two Semester Payments – 50% of the tuition made on or before August 15th prior to the start of the first semester and 50% of the tuition made on or before January 15th prior to the start of the second semester.
 - c. Ten monthly payments – made on either the 1st or the 15th of each month from August through May of the current school year.
4. The tuition includes textbook rental for student use during the school year. Normal wear is expected. However, when textbooks are lost or damaged beyond normal wear and tear, parents will be charged for the cost of replacement.
5. If accounts become past due for greater than 90 days, Elm Grove Lutheran reserves the right to withhold participation in extracurricular activities, participation in the hot lunch/ milk program, and will not allow parents to attend field trips that require an additional chaperone cost.
6. All accounts past 90 days by July 31st of that school year will be sent to a collection agency.

Special Fees

Students are to be assessed for special fees related to special materials, guest speakers, and the like. The principal must approve all special assessments.

1. Sports Fee: Fees assessed to each student participating in a sport to help offset the cost of league fees, referees, and uniforms. Uniforms will not be issued to students until the sports fee is paid in full.
2. Band Fee: An annual fee that helps to defer the cost of group band, which is held once a week. This fee is in addition to the individual band lesson fee.
3. Handbell Fee: Students are not charged a fee to participate in handbell choirs but they will be charged a \$5.00 fee to purchase handbell gloves.
4. Registration Fee: A non-refundable registration fee will be charged to families before the enrollment process can be completed.

5. Field Trip T-shirt/PE Uniform: An annual field trip t-shirt (all students) and a one-time or as needed P.E. uniform fee (Grades 5-8) will be charged.

Refunds

Parents that have paid their tuition in full and withdraw their child during the first quarter of school will receive a 75% refund of their tuition moneys. Those parents that withdraw their child during the second quarter will receive a 50% refund of tuition moneys and withdrawals during the third quarter will receive a 25% refund. No refund will be granted to families withdrawing during the fourth quarter.

Tuition Grants: Families with several students enrolled may find the cost to be a considerable financial challenge. To assist such families, the following scale is to be followed.

- a. Tuition for the first (oldest) child will be the full tuition amount for that grade.
- b. Tuition for the second child will equal 90% of full tuition for that grade.
- c. Tuition for the third, fourth, etc. child will equal 80% of full tuition.

Outstanding Accounts

Each family is responsible for educational fees, child-care charges, lunch fees, and other charges accumulated during the course of the school year. Every effort is made to keep these charges reasonable. Accounts that are considered past due (more than 5 days past the invoice date) will be assessed a \$35.00 late fee through TADS.

1. **Past Due Accounts:** The following procedures will be followed for those accounts that are considered past due:
 - a. The school office will send an email stating that, if the installment is not paid within ten days of the date of the email, participation in the lunch program, child care, athletics, and parent chaperone privileges may be withheld.
 - b. If the account is not brought current within 90 days, a registered letter will be sent advising the family that, unless all late education fees and tuition are paid within fourteen days of the date of the letter, the family's child(ren) will no longer be allowed to participate in any program that requires additional fees.
 - c. All fees and tuition must be paid before the last day of school. Failure to make all payments by the last day of July will result in the accounts being sent to a collection agency.
2. **Financial Aid:** A family that is unable to meet its financial obligations may request financial assistance. Documentation of the need will be forwarded to the principal who will make a recommendation to the Board of Christian Education on financial assistance. A yearly report on financial assistance will be provided to the Board of Christian Education.
3. **Lunch Accounts:** Lunch accounts are to be prepaid. A negative balance of \$10.00 will result in the lunch card being pulled and a student no longer receiving milk until a positive balance is maintained. Lunch cards and milk cards may be purchased in the office. Reminders will be sent home when two lunches or milks are left of the card.
4. **Child Care:** Child Care accounts must maintain a positive balance. If a balance becomes negative, the situation must be rectified within the week or a \$10.00 late fee will be assessed each week until the account is brought current. Participation in child care may be revoked for past due accounts.

ABUSE AND HARRASSMENT POLICY

Purpose

Elm Grove Lutheran School's priority is to provide an environment that is safe, both for those receiving its ministries and for those providing its ministries. When those employees or volunteers who provide the

ministries of the school engage in physical abuse, sexual abuse, sexual exploitation, sexual harassment, or harassment based on race, creed, color, national origin, age, disability, marital status, veteran's status, or receipt of public assistance, they violate the terms of their employment or voluntary service. Such behavior compromises the safety of those placed in their care, and violates the ministerial mission of EGLS. As a result, violation of this policy will be grounds for disciplinary action, termination of employment, or dismissal as it is deemed appropriate. In addition any student behavior, which embarrasses another student, has sexual connotations, or calls attention to the student's sexuality in a demeaning or un-Christian manner will not be tolerated. In either circumstance the victim, the victim's parents, or any observer may file a harassment complaint.

Prohibited Behavior under this Policy

Employees/volunteers are prohibited from engaging in the following behaviors as more specifically defined by the Laws of the State of Wisconsin:

1. Physical abuse refers to any behavior that inflicts physical or mental injury to a person by someone who is responsible for the care and safety of that person.
2. Sexual abuse, which in itself is morally wrong, refers to any behavior that sexualizes a relationship; inappropriate touching, implicit or explicit invitations to sexual activity, genital exposure, sexual intercourse, causing a child to view or listen to sexual activity, sexual exploitation of a child. Such behavior is an abuse of position and takes advantage of another person's vulnerability, whether the victim is a faculty member, staff, student, or someone who looks up to the person as an authority figure.
3. Sexual harassment: Wisconsin law, and the EEOC federal guidelines define sexual harassment as follows: Unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact or other verbal or physical conduct or communication of a sexual nature.

Selection and Screening of Workers

In order to ensure adequate safeguards, Elm Grove Lutheran School has developed the following screening procedures for those who work with the children of our school. We realize that screening procedures will inconvenience the worker, but we believe that it is important to adequately provide for the safety of the children entrusted in our care. Workers will not be allowed to minister to children until they have completed the screening procedure. Any worker with a history of sexual abuse or of child abuse will not be considered for any position in the school.

1. Paid Employees of the School: All paid employees of EGLS will undergo a screening procedure as part of the job application. The procedure will consist of the following components:
 - a. a personal interview
 - b. reference checks
 - c. completion of a criminal records check authorization form
2. Volunteer Workers: All volunteer workers may be interviewed by the employee of the school with whom they will be working and may be required to complete an application form if working directly with children.
 - a. All volunteer workers must be members of EGLC, parents or family of current students or alumni of EGLS.
 - b. Volunteers with criminal sexual abuse or physical abuse convictions will not be permitted to work with children or youth under any conditions.
 - c. Volunteers working directly with children may be required to complete an application and agree to follow school policies.

Supervision of Workers

1. **Open Door Rule:** Classroom doors without windows should be open to assure that the work and children can be seen from the hall. Classroom doors with windows may not have the windows obstructed.
2. **One-on-One Situations**
 - a. Students may remain after school for detention or academic help. The student's teacher will notify the parent or guardian by telephone or in writing.
 - b. The principal as part of his/her ministry may counsel students as necessary within the school building.
 - c. Teachers may keep students in the classroom during a recess period for disciplinary reasons or to give academic help as needed. In all situations involving one on one contact with students, workers should conduct themselves with professional integrity. Contact with a student should occur with the door open in order to provide visibility to another adult.
 - d. **Transportation rule:** No EGLS paid employee or volunteer worker may transport a child or youth to or from any school related activity without securing permission from the parent or guardian.
 - e. **The Overnight Rule:** Any program of EGLS, which includes the supervision of children during overnight activities will observe the following procedures:
 - Written permission from the parents or guardians of the children or youth involved will be secured in advance.
 - Only those adult supervisors who have completed the proper application will be allowed to attend the activity. There will be at least two adults on site with the children at all times. It would be preferable to have at least two male and female adults present.
 - Children/youth will not be allowed to leave the location of the overnight event with anyone except parent or guardian unless permission is given in writing by the parent/guardian.
 - **Suspicious Behavior Rule:** any inappropriate conduct or relationship between an adult and a child should be confronted immediately and investigated by the adult supervisors and the principal. If it is determined that child sexual abuse may have occurred, the steps under "Reporting Procedures" will be followed.

Reporting Procedures

1. **Mandated Reporting of Suspected Child Abuse:** Section 48.981 Wisconsin Statutes, The Law of the State of Wisconsin provides that certain categories of persons are to report to civil authorities if they know or have reason to believe that a minor is or has recently been neglected, physically abused, or sexually abused. The school directs its employees/volunteers who are mandated reporters to comply with the requirement of the law. Allegations should be reported within twenty-four (24) hours to civil authorities. Furthermore the school directs all of its employees/volunteers, (even those who are not mandated reporters), to report their knowledge or belief of the abuse of minors to the County Child Protection Agency, to the County Welfare Agency, to the Municipal Police, or to the County Sheriff's Department, except in those cases where to so report would violate established and legally recognized confidentiality requirements or restrictions. In such cases of confidentiality matters, the principal should be advised of the existence of the confidentiality claim.
2. **Persons Required to Report:** Teachers, day care workers, administrators, and volunteer workers are required to report cases of abuse.

3. **Reporting Professional Church Worker Violations:** In addition to what is stated elsewhere, all employees/volunteers of the school are to report suspected violations of the above-named prohibitions of physical abuse, sexual abuse, sexual exploitations or sexual harassment to the principal. The principal will report the suspected violator to the assistant to the District Executive for Education of the LCMS-South Wisconsin District and the Chairperson of the Church Council. If the suspected violator is the principal, the report will be made to the Senior Pastor and he shall report to the individuals as set forth above.
4. **Reporting Alleged Violations by Others:** All employees/volunteers are required to report those same alleged violations of non-professional church workers to their supervisors unless the supervisor is the alleged harasser (or for some other reason the employee/volunteer does not want to report to the supervisor). In those cases, the report must be made to the principal and the principal will report to the individuals as set forth above.

Responding to Allegations of Sexual Harassment-Students

The victim, the victim's parents or any observer may file sexual harassment complaints. The school will respond in following way to immediately and deliberately halt the harassment:

1. **First offenses** result in a referral. The principal or teacher will inform the child that the offense constitutes sexual harassment and explain it. The child will apologize to the victim. The child is informed that another act of sexual harassment will result in a hearing before the Board of Christian Education to decide upon continued enrollment. The child will also lose recess for one week and his/her parents will be notified in writing of the incident and the action taken by the school. If, in the opinion of the principal and the classroom teacher, the incident is extreme in nature (e.g. fondling, indecent exposure, etc.) the principal may suspend the student pending a hearing by the Board of Christian Education to determine the enrollment status of the offender.
2. **A second offense** will result in immediate suspension from school until such time as the Board of Christian Education is able to conduct a hearing to determine the enrollment status of the offender, including expulsion.
3. **A third offense** will automatically result in expulsion.
4. Any act of sexual harassment, which might involve criminal penalties will be referred to the appropriate law enforcement agency for further investigation.

Responding to Allegations of Sexual Abuse-Employees/Volunteers

Allegations will be promptly investigated and appropriate action taken. Support will be given to the accused and victim and their friends and families. The Church Council will be notified and that body will take final action. Confidentiality of all parties will be protected.

1. **Procedures for Responding:** When an allegation of child sexual abuse is made against a called, paid, or volunteer worker(s) these steps shall be followed:
 - a. Pray for all concerned and for compassion, objectivity, wisdom, and courage for yourself and others who may need to deal with the situation.
 - b. Look for ways that this incident can be used for positive witnessing.
 - c. Document each step
 - d. Call Child Protection Services for Waukesha County
 - Do not try to determine if they should be called in or not, just call and let the CPS worker make that judgment.
 - Check with the Child Protection Services caseworker concerning the setting of the interviews (school vs. off-campus settings)
 - Child Protection Services vary in how they investigate the allegation. Therefore, check with the agency you contact about the steps that follow.

- e. The principal will meet as soon as possible with the president of the Church Council. They will contact the school's liability insurer and legal advisor to determine how to best proceed. After contacting the liability insurer and legal advisor, they will determine how to best carry out the following items. These items need to be done quickly but not necessarily in the order given below. Extreme care must be taken so the rights of the alleged offender are not violated.
- Call the parents to inform them of the accusation and to express concern for the welfare of their child. Inform them of the pending suspension of the employee/volunteer worker and the status of the investigation.
 - The accused educator or staff member will be suspended pending the outcome of the investigation.
 - Inform the employee/volunteer of the accusation. He/she should leave the school immediately. The principal shall escort the employee at all times from the moment they are informed until they leave the building. This is especially important as personal effects are gathered, so that incriminating evidence (if any) is not removed. The principal shall take an inventory of
 - any personal effects the employee may take. The principal shall have the employee turn in all keys to the school property. The principal shall assure the employee/volunteer that he/she will be considered innocent until proven otherwise, and any leave or suspension is for legal purposes only.
 - Contact the District president or the assistant to the District Executive for Education of the LCMS-South Wisconsin District.
 - Inform the accused that if he or she talks with a Child Protection Services worker that self incrimination is possible.
 - Consider involving the pastors of the association congregations.
 - Consider the need, timing, and manner of informing parents of other children with whom the employee/volunteer may have had direct contact.
 - Make certain that association pastor(s) are not placed in a role where they are pitted against one side or the other.
 - Be sure that all people working on this problem are able to deal adequately with confidential matters.
 - Be sensitive to both the potential victim(s) and his/her family and the accused and his/her family. Consider offering counseling to all involved.
 - Have the appropriate association pastor(s) in frequent contact with all parties.
 - Check to make sure that all parties involved have a support system (people who can offer unconditional support...pastors and administrative people who need to assist all parties may not always be perceived as friends) that can come to their assistance at this time.
- f. Bring all parties together for reconciliation when:
- The investigation has been completed.
 - There is a consensus for reconciliation on the part of all parties.
- g. Maintain updates to all parties.
- h. Contact the District President if assistance is needed when putting together a reconciliation team.
- i. Offer counseling to children in the classroom and their families as well as fellow staff members. This would be done after the legal aspects are completed.
- j. Send a copy of the investigation report(s) to the District president.
- k. Understand rights and proper procedures if the incident becomes a media event.

2. Responding to the Media

- a. Only the principal, administrative-pastor, and president of the Church Council will be permitted to respond to any media questions regarding any alleged cases involving either child sexual or physical abuse.
- b. Other faculty members are not permitted to respond to questions from the media or discuss any alleged cases involving either child sexual or physical abuse with the media. All questions are to be referred to either the principal or the president of the Church Council. Disciplinary action may be taken against any faculty or staff member that violates this provision.
- c. All members of the Church Council are not permitted to respond to questions from the media or discuss any alleged cases involving either child sexual or physical abuse with the media. All questions are to be referred to the principal, administrative pastor, or the president of the Church Council. Disciplinary action may be taken against any BOCE member that violates this provision.
- d. If the accused is the principal, the administrative pastor or the president of the Church Council may be designated as the media spokesperson.

3. Responding to Primary Victims

- a. The victim(s) should be informed, personally and in writing, of action taken in regards to the accused.
- b. The principal will meet with the victim(s) to offer support, assess needs, and suggest resources for healing. Recommendations might include individual and group counseling for the victim(s).
- c. If multiple victims are involved, they should be given the opportunity for voluntary sharing and the occasion to provide one another mutual support.
- d. Because the victim(s) may feel a breach of trust with the school, consideration should be given as to how the victim(s) can be reconciled with the school particularly if the person chooses to remain enrolled in the school.
- e. A follow-up interview should be scheduled within three to six months to assess whether or not further help is needed or welcomed by the victim(s)

4. Responding to Secondary Victims

The family of the accused, community and the church-at-large are also victims of the abuse. They too deserve attention and sensitivity to the hurt and pain they are experiencing. a. Family members of the accused:

- During the investigation, the needs of family members should be assessed and support provided, including referral to a competent professional counselor for the family.
 - Whenever possible a follow-up meeting should be made available to communicate the continued support of the school and to assess whether there is more the school can do to help the family members.
- b. Peers
 - At the discretion of the principal, administrative pastor and the president of the Church Council, a peer group may be called to inform and discuss the actions taken regarding the accused.
 - c. School Family
 - When a decision is made regarding the accused, the principal has the responsibility to inform the Church Council and to interpret that decision for them.
 - The principal will be available to answer any questions that the Church Council might have to help clarify the decision.

- The principal may develop a program of healing and reconciliation. The pastors of the association churches as well as the District President may be called in to help with the reconciliation process.
- Whenever possible the accused may be included in the program of healing and reconciliation.
- A follow-up session may be scheduled to assess the reconciliation process.

WELLNESS POLICY

It is the goal of Elm Grove Lutheran School to make a significant contribution to the general well being and the academic, physical, emotional, and spiritual growth of each student, affording them the opportunity to fully participate in the education process. Elm Grove Lutheran School promotes a healthy school environment by supporting wellness, good nutrition and regular physical activity as a part of the total learning environment. The school supports a healthy environment where children learn and participate in positive dietary and lifestyle practices. By facilitating learning through the support and promotion of good nutrition and physical activity, our school contributes to the basic health status of children. Improved health optimizes student performance potential.

Nutrition Education Goals

- Students in all grades, Pre-K through 8, will receive nutrition education that is interactive and teaches the skills that promote positive eating behaviors and a healthy lifestyle.
- The message of making healthy choices will be consistent throughout the school including classrooms, lunchroom, fruit break and other areas where the message may be presented.
- The curriculum will include both health education that stresses nutrition and physical education.
- Health education and making healthy decisions will be integrated where appropriate throughout the other curricular areas.
- The school will seek additional ways to present the message of healthy choices in other activities and programs sponsored by the school.
- Faculty/staff who are responsible for nutrition education will be offered additional training opportunities as needed or requested.
- The school will identify ways to involve the parents, students, and the community in nutrition education activities.
- Food service staff and teachers will receive proper training in nutrition and physical education. □
The staff will strive to be role models in practicing healthy eating habits.

Physical Activity Goals

- Students will be given opportunities for physical activity during the school day through physical education classes, recess periods, and the integration of movement activities into the academic curriculum.
- The physical education curriculum will teach children the importance of exercise and wellness, and expose students to a wide range of physical activities and skills in order for students to be able to develop the knowledge and skills to be physically active for life.
- Physical education teachers will follow a physical education curriculum, which will be aligned with the National Physical Education Standards and relate to the State Standards.
- Students will be given opportunities for physical activity before and/or after school through activities and athletic programs.
- The school will encourage parents and guardians to support their child's participation in physical activities and will strive to offer physical activities through school sponsored family events.

- The school will provide training for the faculty in promoting physical activity as an enjoyable, lifelong activity.

Nutrition Guidelines for All Food and Beverages Available at School:

- Ensure that all students have access to healthy food choices during school and at school sponsored functions.
- Meals served through the National School Lunch Program will meet, at a minimum, nutrition requirements established by local, state, and federal statutes and regulations.
- Concession stands at after-school events operated on school campus (such as, but not limited to, athletic events, PTL programs, performances and school dances) shall include healthy options such as water, milk, 100% juice and nutritious foods.
- Sales of soda or artificially sweetened drinks will not be permitted during the school day. Vending machines available to students after school hours will offer a minimum of 50% healthy choices (e.g. water, 100% fruit juice).
- When school parties and classroom activities include food, efforts will be made to limit the number of high calorie, low-nutrition snacks and instead provide children with nutritional alternatives.

Goals for Other School Based Activities

- The school will maintain the lunch area and insure that it is a clean, safe, and enjoyable meal environment.
- The school will arrange a lunch schedule that provides adequate time for serving meals, for students to eat, and for clean-up following the meal.
- Students will be encouraged to participate in the hot lunch program. The staff will monitor lunches brought from home and encourage families to provide nutritious meals and snacks.
- EGLS will make every effort to eliminate any social stigma attached to, and prevent the overt identification of, students who are eligible for free and reduced- price school meals.
- Faculty/staff will discourage students from sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children's diets.
- Students will not be allowed to drink soda or energy drinks during the school day.
- Drinking fountains will be available in the school buildings and students will be given opportunity to have water throughout the day.
- When curricular-based food experiences are planned, faculty and students are encouraged to seek out good nutrition choices whenever appropriate.
- When using food as a part of class or student incentive programs, we encourage staff and students to use healthy, nutritious foods.
- Children who have been removed from the classroom for disciplinary reasons will be provided with lunch.
- Teachers will be encouraged to provide all students with physical activities at recess and other times when physical education or activity is scheduled.
- Teachers and staff will not use physical activity (e.g., running laps, pushups) or withhold opportunities for physical activity (e.g., physical education) as punishment.
- The school will make every effort to provide students and families with an opportunity to participate in physical activities in after-school programs.
- All fundraising projects are encouraged to meet the school nutritional standards.

Implementation and Evaluation

- The wellness policy will be implemented at Elm Grove Lutheran School by the school faculty/staff. Teachers and staff members will be responsible for putting the policy into action and reporting any problems to the principal.
- The principal will oversee the implementation and ensure compliance with the school wellness policy.
- Through observation, evaluation, and reports from the teachers, the principal will report on progress made with implementation of the policy to the Board of Christian Education on a periodic basis.
